

Paperwork Requirements - NABF16/PONY16:

The NABF paperwork requirements will be sufficient at the local level for PONY eligibility. However, the team advancing in PONY will need additional paperwork and other items as described below.

(1) NABF Paperwork Requirements:

I will need the following hardcopy from each team before the start of the tournament:

(A) Three copies of your NABF TOURNAMENT (not regular season) ROSTER. NABF uses a different form for tournament rosters. After you have completed your draft, print it from the website and get any required signatures.

(B) Proof of age for each player;

(C) Proof of Team Insurance with NABF listed as Additional Insured.

NABF RULE: Any team not in full compliance with these requirements BEFORE the tournament begins will not be allowed to play.

This information may be mailed to me at:

Ed Frye
5227 Bridle Pathway
Schenectady, NY 12303

Or, you may drop it off at my house OR you may give it to me personally at DevilCats Stadium in Twin Town, on Wednesday, July 14 between 6pm and 8pm.

Why is it a MUST that you comply with these hardcopy requirements prior to the tournament?

I must send a copy of your paperwork to NABF Headquarters and the World Series site NO LATER THAN THE FIRST DAY OF THE TOURNAMENT. So DO NOT ASSUME that since you gave us your paperwork for league play that you are covered. YOU ARE NOT. I need the actual physical hardcopy all over again.

Re: NABF Draft - NABF does not let you draft again after the tournament begins. Your draft picks must be on your tournament roster and your tournament roster must be in my possession

before you can begin play. I will conduct an online draft on Monday before the tournament begins, once the final seedings are known. Email me your draft picks, in order of preference, as soon as possible. When I conduct the draft, I will link your drafted players to your NABF tournament roster. All draft picks will show on the website under Tournaments > Berth Winners.

For going to the NABF World Series, teams will also need to have:

(D) Team Picture w player names (not needed for Regional)

(E) NABF Patches (ENYTB to provide).

(2) PONY Paperwork Requirements (for team that wins berth to PONY14 Regional)

(A) Four copies of your PONY TOURNAMENT (not regular season) ROSTER. PONY uses a different form for tournament rosters. After the tournament, after you have completed your PONY draft, print it from the website and get any required signatures, including your League President (Ed Frye).

(B) Proof of age for each player;

(C) Proof of team insurance with PONY listed as Additional Insured;

(D) PONY patches on right hand side sleeve of all players and coaches;

(E) TOURNAMENT PITCHING RECORD - Each appearances of a pitcher and his innings pitched (one pitch constitutes one full inning). Official PONY form downloaded from PONY website.

NOTE: PONY tournament winner is required to bring his team's complete tournament pitching record to the next tournament level to be eligible.

(F) PONY Medical Release form for each player signed parent/guardian (downloaded from PONY website).

(G) Team Picture w player names

Review these credential requirements with the tournament director at the next level ahead of time to be sure you have everything required.
