

Unless otherwise stated, spectators can expect that there will be a full concession available at all member facilities hosting ENYTB tournaments.

Please remember, w/o hosts there would be no tournaments. Hosts lend us the use of their facilities and they work hard to prep the fields before each game. Their only reward for hosting is concession stand business. They are all non-profit, volunteer supported organizations. Hosting is a part of the annual fund-raising efforts by these organizations. If parents don't want to support our tournaments, all refreshments from home must be consumed in the parking lot.

**EXCEPTION:** Anyone with special dietary needs.

**Managers and coaches:** Please tell your team families not to bring food into the host parks that operate concessions. If people wish to tailgate in the parking lot they can.

**NOTE:** Concessions will not be available at Waterford HS. Families may bring food from home to that field (please be sure not to litter the grounds), or they may go to Waterford Kelts Field, located approximately one mile towards Waterford on the opposite side of the road, where a full concession is available e.g., hand squeezed lemonade, fried dough, french fries, etc.

Bathrooms facilities are available at all host parks.

**EXCEPTION:** Waterford HS. Facilities are available at Waterford Kelts Field, approximately one mile towards Waterford on the opposite side of the road.
