

NABF Paperwork Requirements:

Prior to the start of the tournament, I must send a copy of each team's paperwork to NABF Headquarters and the World Series tournament director. Therefore, each team must submit complete paperwork BEFORE the start of the tournament.

Please mail hardcopy of paperwork to:

Ed Frye
5227 Bridle Pathway
Schenectady, NY 12303

NOTE: DO NOT ASSUME that since you gave us paperwork for league play that you are covered. YOU ARE NOT.

What I need from each team:

(1) Three copies of your NABF TOURNAMENT (not regular season) ROSTER.

The NABF tournament roster is not the same as the NABF regular season roster. After you have completed your draft, print your NABF tournament roster from the website and get any required signatures.

(2) Proof of age for each player;

(3) Proof of Team Insurance with NABF listed as Additional Insured.

NABF RULE: Any team not in full compliance with these requirements BEFORE the tournament begins will not be allowed to play.

NOTE: NABF does NOT let you draft again once the tournament begins. Your draft picks must be on your tournament roster. Email your ordered picks to me (player's name and their team's name) I will conduct an online draft and link your drafted players to your NABF tournament roster on the Monday before the tournament after seeds are finalized.

For going to the Regional and World Series, NABF also requires:

(D) Team Picture w player names (not needed for Regional)

(E) NABF Patches.

Review these credential requirements with the tournament director at the next level ahead of time to be sure you have everything required.
