

Policy re: Food & Beverage Not Purchased At The Host Site Concession

The ValleyCats do not charge any admission for this tournament and they offer this tournament to the league at a very reasonable price. They will open their concessions and rest rooms for all attendees. The revenue from the concessions during the tournament contribute to their overhead cost for hosting our tournament.

BOTTOM-LINE: Please remember, w/o hosts and concession revenue, there would be no tournaments.

Please help make our tournaments a success by supporting our host's concessions. W/o your support, there would be no tournaments.

All refreshments bought outside the ball park must be consumed outside the ball park. They may be consumed in the parking lot.

EXCEPTION: Anyone with special dietary needs may bring in whatever special foods & beverages they require.

Managers and coaches: Please announce to your team that they are not to bring food into the host parks that operate concessions unless it is to meet necessary dietary restrictions as just stated.

W/o your cooperation, tournaments will go away.

If people wish to tailgate in the parking lot they can.
