

SPECIAL TOURNAMENT INCLEMENT WEATHER RULES

- (1) **All play stands if game is stopped due to weather or darkness before game is of official length.** In other words, games will be treated as SUSPENDED games (not rain-outs) if they are started but fail to reach official length before they are called.

- (2) **OFFICIAL LENGTH** - Is redefined to 4 innings OR 90 minutes of play has elapsed since the first pitch for all ENYTB hosted tournament games of 7 inning length (11U or Older), if the game is stopped due to bad weather or unsafe field conditions due to bad weather or by darkness or curfew.

So, if the trailing team has had four complete innings of at-bats OR 90 minutes has elapsed since first pitch, and the game is called for any of the above reasons, the game is official and counts as a complete game.
