

# **ENYTB Tournament Format - 12 Team Bracket**

Format consists of two phases:

## **PHASE I - Pool Play**

Teams are grouped into three pool of 4 teams each. You play the other 3 teams in your pool.

## **PHASE II – Single Elimination Play**

4 teams advance to single elimination round. The three pool winners advance. We also advance the strongest team that does not win their pool as a “wild card” team for the 4<sup>th</sup> semifinal spot. Pool play tie breakers are used to determine this (see separate sheet)

The pool winners will be ranked based on their pool play results. And matchups will be:

#1 overall seed vs Wild Card team

#2 overall seed vs #3 overall seed

Semifinal winners face off in championship game
