

# **ENYTB Tournament Format - 11 Team Bracket**

Format consists of two phases:

## **PHASE I - Pool Play**

Every team plays two random opponents during pool play. Teams will be seeded by these results. See document on Pool Play Tiebreakers for more details on seeding.

## **PHASE II – Single Elimination Play**

1. Teams are seeded into PHASE II play based on the results of PHASE I play (tie-breakers are provided separately).
2. Seeds 1-5 receive a BYE in Round 3.
3. Remaining teams are matched up: 6 v 11, 7 v 10, 8 v 9.
  - a. Tournament director reserves the right to change seedings to avoid two teams from same club playing each other or to minimize the number of repeat matchups from earlier rounds of tournament.
4. The tournament is played out to conclusion in bracketed form, single elimination.

Tournament Director can change the format of the tournament if needed to mitigate uncontrollable situations such as weather, teams dropping out on short notice, teams removed from tournament, etc.
